Annmarie Gianni Skin Care

*organic, wild-crafted and natural*

**Dear Store Manager,**

I have given you this letter to request that your store carry the Annmarie Gianni Skin Care line. I shop in your store all the time and it would be wonderful if I could shop here for these great products locally.

Annmarie Gianni Skin Care is a pure, honest, spa quality line with organic & wild-crafted ingredients. I use this product, not only because it is a great alternative to engineered products, but because it truly works.

The products have been reviewed by many online sites including NaturalNews.com and dozens of others and are building a strong buzz and following.

There are 15 amazing products in this line that I feel are the best of the best. I am so happy to say that I have found a skin care line that I love, and that loves my skin -- and I would love to purchase them locally here at your store.

If you'd like to receive samples, or talk to this company about wholesale pricing, training and more, they would be happy to get you whatever you need to get acquainted with the line.

Please contact Rachel at [rachel@annmariegianni.com](mailto:rachel@annmariegianni.com) directly and she'll be able to assist you.

*I recently went to see the lady who cuts my hair. And she said... "Oh Bettye people would love to look as good as you do without any make up, you look great" She has no clue what i have been doing for skin care, i thought that was the ultimate compliment in my choice of skin care. thank you for making a difference and if i can help to share a success store i would love the products, all the best for great success.*

*I have been using Annmarie's Anti-Aging Eye Cream for close to a year now and will never ever use any other product around my eyes. The results are amazing but most impressive are the comments from my friends. The skin around my eyes is firm and youthful looking. Also the bags under my eyes are greatly diminished.*
